### Why a Kids Building?

To offer a fun, safe, comfortable and clean environment for children to learn about the love of God and to learn to apply His word to their life.

This building is only a tool. But it is a necessary tool to provide a place for teaching our children.

How big is this building? It is 12x40.

Why is it portable? So that when the church is able to acquire it's own land this building can be sold or moved.

How will it be used? We will be flexible in it's use. Initially it will be used for a nursery and preschool area on Sunday evenings and for the older children on Wednesday nights.

What is the cost? The estimate for the shell is \$6,000. Much of the interior is donated.

How will it be paid? We are praying for God's provision. God is able to bless his people who are committed in giving toward Kingdom work. Jesus once said that if we seek his kingdom that God would provide what we need. This is kingdom work.

There was an instance that is recorded in the Bible where the disciples were trying to prevent parents from bringing their children to Jesus. Jesus said "let the children come to me because the kingdom of heaven belongs to such as these."

Ask God what he would have you give toward this vital tool for effective children's ministry.
